

**MHI Holdings, LLC Acquires Seaward Marine Services, Inc. and Accurate Marine Environmental, Inc.**

NORFOLK, Va. – March [ ], 2017 – MHI Holdings, LLC (“MHI”) announced today that it has completed the acquisitions of Seaward Marine Services, Inc. (“Seaward”) and Accurate Marine Environmental, Inc. (“AME”). These are the first two acquisitions since affiliates of the private equity firm Stellex Capital Management LP (“Stellex”) acquired MHI Ship Repair in 2015. The acquisitions mark the first expansion of the MHI business, broadening both the range and geographic scope of services offered by the Company.

- Seaward is a leading provider of underwater hull cleaning and ship husbandry services, including underwater painting, inspections, repairs and maintenance, testing, and other specialized diving services, primarily to the U.S. Navy, as well as other commercial and government customers. Seaward has delivered mission critical support to the U.S. Navy for over 35 years out of its Norfolk-based headquarters and offices in Florida, California, Hawaii and, Japan.
- AME performs bilge and tank cleaning, chemical cleaning, gas free engineering, and the removal of hazardous and non-hazardous materials for the U.S. Navy and commercial industries. AME, also headquartered in Norfolk, VA, performs work primarily across the East Coast of the U.S., including Virginia and Florida.

Tom Epley, Chief Executive Officer of MHI, commented, “Both Seaward and AME are world-class businesses that we have worked with and respected for many years. These additions to the MHI platform will allow us to better serve the needs of our customers both domestically and abroad.” Mr. Epley further commented, “Seaward and AME add capabilities that will augment MHI’s existing business, allowing the opportunity to bid on a wider variety of projects. In addition, both acquisitions expand the geographic reach of the MHI organization outside the port of Norfolk, a key development in the growth of our Company.”

David Waxman, Managing Director at Stellex stated, “We believe these acquisitions are important steps to expanding MHI’s capabilities as one of the U.S. Navy’s leading ship repair contractors. We look forward to continuing to build the MHI platform while working with Tom and the team to grow each of its businesses.”

Both Seaward and AME will continue to be run by their respective management teams.
